MUSEUM OF THE MOVING IMAGE presents

wide-ranging exhibitions, thought-provoking films, and interactive education and family programs to create unique experiences focusing on the art, history, and technology of film, television, and digital media.

In addition to contributing crucial support to the Museum's innovative exhibitions, education programs, and community outreach, corporate membership benefits include complimentary admission to MoMI's galleries and exhibitions, family workshops, and access to over 500 programs annually, many with special guests.
